

Missoula Children's Theatre Presents *Treasure Island*

The year is 1782 and the American War for Revolution is in its last days. Longing for adventure, Jim Hawkins comes under the hypnotic spell of the legendary pirate, Long John Silver. Always up for adventure, Jim's ruffian friends say farewell to their village parents and serve as cabin boys for Silver and his band of hilarious (although unsavory) pirate types. Once on the island, nights are sleepless as true colors are revealed in our hero's quest for the proverbial happy ending. Then - at last - the treasure is found and hand in hand we're homeward bound. Watch 50-60 local actors "Shiver Your Timbers"!
